Note :

Career Opportunities: Graduates of the UC program can find career opportunities in public and/or corporate accounting. Employers include national/international public accounting firms (Big 4), regional/local public accounting firms, financial services firms, manufacturing firms, and retailers, in addition to others. Examples of jobs include CPA's in public auditing, tax or consulting, managerial/cost accountants, internal revenue agents, tax consultants, internal auditors, financial executives, and accounting professional in governmental and/or non-profit organizations. Companies who have hired Accounting students and grads include Clark Schaefer Hackett, Anthem, Barnes Dennig, Cincinnati Bell, Deloitte, EY, Great American Insurance Group, Phillips Edison, and PwC.

Program Description :

Financial accounting records, classifies, summarizes, interprets, and communicates financial information for investors, managers, lenders, and tax authorities for the purpose of decision making. This information is presented in the form of four primary financial statements: the balance sheet, income statement, cash flow statement, and the statement of stockholders equity. Publicly traded companies are required to have their financial statements audited by Certified Public Accountants (CPAs) to verify they are prepared in accordance with Generally Accepted Accounting Principles (GAAP). The field of managerial accounting deals with extracting relevant information from the details of the accounting system and supplementing that with estimates of the future and non-financial information to make decisions that create value for the firm.

Admission Requirement :

- The student must have a Cumulative Grade Point Average of 3.0 and higher in their Bachelors Degree from an accredited institution.

General Checklist :

English Language Score Card: TOEFL or IELTS should be send directly to University electronically.
