Program Description :

Athletic training is practiced by athletic trainers. Athletic Trainers are health care professionals who collaborate with physicians and other health care providers to optimize activity and participation of patients and clients. Athletic trainers treat a broad population, from the amateur and professional athlete to the typical patient in need of orthopedic rehabilitative care. Typical client groups include recreational, amateur and professional athletes, individuals who have suffered musculoskeletal injuries, those seeking strength, conditioning, fitness and performance enhancement, and others designated by the physician. To become certified athletic trainers, students must graduate with a bachelor’s or master’s degree from an accredited professional athletic training education program and pass a comprehensive test administered by the Board of Certification. Once certified, they must meet ongoing continuing education requirements in order to remain certified.

Admission Requirement :

• The student must have a Cumulative Grade Point Average of 3.0 and higher in their Bachelors Degree from an accredited institution.

General Checklist :

English Language Score Card: TOEFL or IELTS should be send directly to University electronically.
