Program Description :

The most valuable resources of any business are the people who work there – the human resources. Business and government leaders now recognize that human resources must be managed more effectively if companies are to increase productivity in today’s competitive market. Human Resources graduates have been trained to assist in the HR development process. A career in HR is extremely rewarding. Working with an organization to help them achieve their goals through the people who work there is very satisfying. During the program, students will develop the skills required to be effective practitioners and work in a team to help organizations succeed.

Admission Requirement :

Successfully completion of Grade 11 and 12 courses including the following prerequisites:

- Grade 12 English at the C or U level.
- Grade 11 Math at the C, U or M level.
