**Note :**

The Master of Sustainable Tourism and Heritage has been co-designed with Australian and International partners. These partners include Destination NSW, the Australia Federation of Travel Agents, City of Parramatta, Powerhouse Museum, Greater Sydney Commission and National Trust. Our industry and government partners regularly join classes to share their knowledge in guest lectures and discussions.

**Program Description :**

The Master of Sustainable Tourism and Heritage provides students with the specialist knowledge and skills required to shape the future of the tourism and heritage sectors in Australia and overseas. Graduates of the program will be equipped to deliver sustainability and innovation outcomes through working in a variety of managerial, operational, policy, planning and research roles. The program allows students to complete specialisations in a variety of fields, including human resource management, innovation and entrepreneurship, international development, management, marketing, and planning and place making. Students are provided pathways to employment through work placements, applied projects and opportunities to engage with high-profile industry and government partners.
