### **Program Description :**

The Computer Engineering Master of Science graduate research environment provides excellent opportunities to work on exciting and challenging projects. Funding comes from national and state research agencies such as NSF, NIH, NASA, Army Research Office, Wright Patterson Air Force Base, Office of Naval Research, and Ohio Department of Transportation. We have an excellent research and teaching facilities with 32 faculty members including research laboratories with state-of-the-art equipment in the areas of hardware and software systems, artificial intelligence, neural networks, image processing, electronic design automation, MEMS, micro sensors, millimeter waves and photonics, nano electronics, and optoelectronics. The Department of Electrical Engineering and Computing Systems offers two graduate degree programs leading to the Master of Science in Computer Engineering and Electrical Engineering. It offers the Doctor of Philosophy in Electrical Engineering and Computer Science and Engine

### **Admission Requirement :**

- The student must have a Cumulative Grade Point Average of 3.0 and higher with an accredited institution.

### **General Checklist :**

- Bachelors all semester mark sheets and Degree Certificate.
- Grade 10th and 12th Mark sheets
- Work Letters: Appointment and Experience Letters
- Resume

\* All the above information must be verified with Institution/Country Website

- Passport
  - English Language Score Card: TOEFL or IELTS should be send directly to University electronically.
  - Statement of Purpose
  - Letter of Recommendation
-
