Note :

Many students find that a specialty enhances their employment opportunities.

Program Description :

Of interest to students who have a non-business degree, and who want to return to university for one or two years to acquire a specialty in a functional area of business or economics in order to enhance their employment opportunities. Students with a first degree in business, but who want to change their area of focus, may complete a post-baccalaureate diploma as well. Fees is yearly

Admission Requirement :

Must have a Bachelor Degree

Students are expected to have taken the equivalent to Grade 12 mathematics and have completed at least six credits of university English prior to admission. Those who have not done so can still be admitted to the program, but they must complete equivalent courses as approved by an academic advisor.
