Program Description :

Gain a foundation of basic knowledge and skills for working in the field of tourism, as well as developing specialized knowledge and skills relevant to the area of study covered by the post-bac. In the first year, gain an overview of the industry; understanding of issues fundamental in tourism planning, marketing, and service provision; and an awareness of central issues related to tourism's engagement with culture and the natural environment, as well as exploring the experiential dimensions of this phenomenon. In the second, specialized year, master research skills; gain competencies relevant for creating, designing, operating, and evaluating events and festivals; and develop an understanding of an area of study within the larger tourism field and within contemporary culture.
